ABOUT THE UNIVERSITY:

The Government of Tamil Nadu enacted Act No. 33 of 2008 to provide for the establishment and incorporation of Teachers Education University in the State of Tamil Nadu for promoting excellence in teachers' education. Tamil Nadu Teachers Education University is an exclusive University for Teachers Education established by the Government of Tamil Nadu to promote excellence in Teacher Education. The Tamil Nadu Teachers Education University is a unique University of this kind, for it is the first and only one University in India, which is solely established for promoting excellence in Teachers Education, with the motto of 'ஓதி உணர்ந்து பிறர்க்கு உரை', it is a Tamil Phrase which means 'Recite, Realize and Relate it to others'...

The University is in pursuit of excellence by promoting human values for social harmony, providing quality teacher education for the rural and unreached students and to make colleges of education excel through innovative teaching, research and extension activities. The University is an affiliating one with the jurisdiction of Tamil Nadu. There are 719 colleges of education, which affiliated to the University including Government colleges of education, Aided colleges of education and Self-financing colleges of education. Among them government and government aided colleges have autonomous status.

There are six Departments of Study and Research in the university, offer Regular PG Programmes M.Ed & M.Phil (Regular) and Ph.D. in Education (Full-time & Part-time).

About the PMMMNMTT (Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching)

PMMMNMTT is Central Sector Scheme launched by the MHRD, GoI. The aim of the scheme is to improve the quality of school and higher education by addressing comprehensively all issues related to teachers, teaching, teacher preparation, professional development, curriculum design and development, developing assessment and evaluation methodology, research in pedagogy and developing effective pedagogy.

ABOUT THE WORKSHOP:

The purpose of higher education or continuing education is rapidly changing in the context of students' expectations as well the standards of institutions. In providing high quality education, institutions should align with the emergence of technical trends, educational environments, and various teaching and learning pedagogical strategies. Higher education is leveraging these developments to make the most of students' learning experiences and choices.

The quality of higher education is a talk of the 21st century across the globe. India is renowned for its largest and diverse education systems in the world. The rampant of privatization in India, in a short span of time, becomes an inevitable force to move towards the augmentation of autonomy for the institutions as well the programmes in the newly emerging fields of higher education, usher in to go-ahead with the preparation of an enhanced system and framework of access to higher education. Meanwhile, it has led to widespread concern on the quality and its relevance of the higher education. The Faculty Development Centre (FDC - PMMMNMTT) of Tamil Nadu Teachers Education University (TNTEU) is intended to organize a Three Day Capacity Building Workshop for IQAC Coordinators, to address these concerns in line with the National Policy on Education (NEP, 1986) and the Programme of Action (PoA, 1992) spelt out the strategic plans for the policies with respect to access of quality higher education.
