## ABOUT THE UNIVERSITY

The Tamil Nadu Teachers Education University was established by the government of Tamil Nadu in 2008. It is unique in nature, being the only established to promote excellence in teacher education in the Country and also in Asia. This University is unique in the sense that it is relatively to the other University since its assignment is to promote excellence in Teacher Education and produce dynamic and smart teachers for the benefit of the Society and the nation at large. The University has established the following six departments

1. The Department of Pedagogical Sciences
2. The Department of Value Education
3. The Department of Educational Psychology
4. The Department of Educational Technology
5. The Department of Curriculum Planning and Evaluation
6. The Department of Educational Planning and Administration

The University is offering M.Ed, M.Phil., Ph.D and D.Lit. Programmes in all Departments and also planning to start various job-oriented and community related Post Graduate Diploma Programmes on part-time basis. In addition to teaching all the six departments are engaged with major projects. The basic necessity for all the educational institutions in the country is to bring out intelligent, dynamic, excellent and brilliant teachers to disseminate the knowledge, attitude and skills in the given field. Without this basic product, no educational institution can survive and excel in any field of knowledge. It is with such a divine task and it is really proud that our University is monitoring all 719 affiliated colleges including the Government, Government Aided and Self Financing Colleges in Tamil Nadu.

## VISION

The unique vision of Tamil Nadu Teachers Education University is to promote excellence in teacher education for the benefit of students, Society, Nation and Mankind at large.

## MISSION

The Mission of the University is to produce brilliant, intelligent and dynamic teachers for the benefit of one and all. The teachers so produced will learn, realize and teach in accordance with the motto of the University  
"ஓதி உணர்ந்து பிறர்க்கு உரை"

## ABOUT THE DEPARTMENT

The Department of Value Education was established in 2014 with an objective of bringing out effective and efficient Teacher Educators with the qualities of good conduct, self-confidence and high values which would help them to occupy a significant role in the society. Thus it leads to develop teacher educators and student teachers who are professionally prepared to internalise their role in value inculcation and to lay a strong foundation for the development of different values.

The department is offering M.Phil, and Ph.D, programmes. The Department focuses on educational research in the field of Value Education with professionalism and productivity. It ensures provision for maximized learning through experiences and exposure to prepare teacher educators and student teachers who play the most important role in shaping the students as enlightened citizen.

## LOCATION OF THE UNIVERSITY

The Tamil Nadu Teachers Education University is functioning in the Old Mahabalipurma road, Gangaianman kovil - street, Karapakkam, Chennai – 600097.

## ABOUT THE CONFERENCE

The University has already conducted Three International Conferences successfully by inviting experts and participants from various parts of India and Abroad. The International conference focuses on providing platform for Teacher Educators and Student teachers to share their views of new ideas in empowering the society through holistic approach. The 'real education' must foster all-round development of students. It should also lay equal emphasis on academic excellence and skills for self-employment or gainful employment. The higher education institution has a triad missions: education, research and services to the community. The role of higher education institution in empowering the society is very indispensable. It plays significant roles in shaping the society. So Holistic education challenges teachers to think differently and to examine critically. They have to develop healthy, curious individuals who can learn what they need to know and apply it in any new context in which they find themselves and who are self-motivated and confident learners.
