Sir/Madam,

Sub: Higher Education – Environment Control – Request to educate and create awareness among public and students to reduce the use of single use of plastic as a social responsibility – Reg.

Ref: 1.From the Regional Director, Central Pollution Control Board, Government of India, Ministry of Environment, Forest and Climate Change, New Delhi, Letter No.Tech55/Mass Awareness/RDS/2018-19/307, dated 29.05.2018.
2. From the Principal Secretary to Government, Environment & Forests (EC.2) Department, Letter No.10626/EC.2/2018-1, dated 15.06.2018

I am by direction to inform you, in the reference 1st cited, the Regional Director, Central Pollution Control Board, Government of India, New Delhi has requested to educate and create awareness among public and students to reduce the use of “single use of plastic” as a social responsibility.

The Plastic mitigation awareness message may be displayed on respective websites and at prominent locations and also to give wide publicity on impacts of plastic waste on environment and also to encourage the “3R’s principal-Reduce, Reuse and Recycle”. Sufficient number of plastic waste collection bins may be provided wherever required and to handover the segregated plastic waste to recyclers in order to ensure a healthy and a suitable world for generations to come. Its slogans are: “Let us not use plastic” and “Say no to Plastic Bags.... Carry a Bag”.

In the reference 2nd cited, the Environment and Forest Department has also reiterated the above instructions.

As per the 110 Announcement of Hon'ble Chief Minister, ban on one time use and throw away plastics irrespective of thickness is proposed to be implemented w.e.f. 01.01.2019.

I am, therefore, to request you to adhere to the instructions scrupulously of Central Pollution Control Board based on the said announcement.

World Environment Day Celebrations on 5th June 2018

The United Nations has designated 5th June as the World Environment Day (WED) to serve as "people's day" for protective measures to take care of Mother Earth and it is UNEP's principal vehicle for encouraging worldwide awareness and action for the environment. WED is the biggest, most globally celebrated day for positive environmental action. It began in 1974 and has grown to become a global platform for public outreach widely celebrated throughout the world.

India is the global host of World Environment Day this year and the theme is "Beat Plastic Pollution". The Government of India has committed to organize and promote the World Environment Day celebrations through a series of awareness activities and events generating strong public interest and participation.

The Ministry of Environment, Forest and Climate change (MoEF&CC), Government of India has desired that awareness programmes shall be undertaken for students, general public, NGOs, various government departments and other stake holders across the country to create awareness. It has directed to give wide publicity on impacts of plastic waste on environment and to encourage the 3R's principle- Reduce, Reuse & Recycle" and restraint the usage of "single use plastic".
