# About the University

The Government of Tamil Nadu enacted Act No.(33) of 2008 to provide for the establishment and incorporation of Teachers Education University in the State of Tamil Nadu for promoting excellence in teachers education. Further the Act came into effect from 1.7.2008 by a Gazette Notification issued in G.O.M.S.256, Higher Education (K2) Department, dated 25.6.2008. This University is unique in nature relatively to the other Universities since its assignment is to promote excellence in teacher education and produce dynamic and smart teachers for the benefit of the society and the nation at large.

The University has established the following six departments and appointed one Professor for each. 1. The Department of Pedagogical Sciences 2. The Department of Value Education 3. The Department of Educational Psychology 4. The Department of Educational Technology 5. The Department of Curriculum Planning and Evaluation 6. The Department of Educational Planning and Administration. The basic necessity for all the educational institutions in the country is to have intelligent, dynamic, excellent and brilliant teachers to disseminate the knowledge in the field. Without them no educational institution can survive and excel in any field of knowledge. It is such a divine task and it is really proud that it has to monitor all 664 affiliated colleges of education including government, government-aided and self-financing colleges in whole of the Tamil Nadu State.

## Mission

The University is in pursuit of excellence by promoting human values for social harmony, providing quality teacher education for the rural and unreached students and to make colleges of education excel through innovative teaching, research and extension activities.

## Vision

Our vision is to provide internationally comparable quality teacher education to the youth. The aim is not only focused on imparting subject knowledge and skills, but also to mould the students with better conduct and character committed to the societal needs and national development. The University strives to realize the vision of India and excel in promoting and protecting the rich heritage of our past and secular ideals of the nation.

## About the Department

The Department of Educational Technology is established in 2013. It strives to promote high academic standards in education by creating an optimal and enriching learning environment, fostering on-going professional and personal development thereby contributing effectively to societal needs.

The Department of Educational Technology has offered the following programme:

- ☒ Doctor of Philosophy (Ph.D)

The Department of Educational Technology provides Teacher Education with a special focus on Educational Technology. It was an innovative effort to spread the concept of Educational Technology among the teaching community at various levels. It is one of the departments in Tamil Nadu Teachers Education University, within six years after its inception, the department today stands as an important centre for study and research in Education, in general and the development and application of Educational Technology, in particular. The department has made significant contribution in Teacher Education viz., Teaching, Research and Extension.

# About the Cholan College of Education

Cholan Educational and Charitable Trust is named after the famous Chola Dynasty who ruled Tamil Nadu with great strength and efficiency. Our trust dedicated to the education and empowerment of youth. Our goals are based for education which striving to achieve 100% literacy and every child go to school and get quality education. In 1996, our trust was setup in the field of education under the guidance of our founder Dr. T. Sanjeevee Jayram. It recognizes the need to redress traditional gender imbalances in educational institutions. Our prime importance to train the teachers to meet out the societal needs can possible only when the teacher is trained, committed, dedicated with professional ethics to mould the younger generation incorporating self-discipline, confidence, leadership quality and excellence in education. Educated and trained person in general and teachers in particular are assets in the family, in society and the nation. In Indian culture the highest place is given to the Guru or Teacher even higher than god. It is our dream to educate our adolescent to provide them training to achieve 21st century learning skills. Our College of Education are recognised by SRC-NCTE and affiliated to Tamil Nadu Teachers Education University also accredited with NAAC – 'A' Grade.

## About the Conference

The world is undergoing dramatic and unprecedented changes in this age of increasing quality Education. It becomes imperative for countries to create, design, and analyze and implement effective Strategies and Initiatives for promoting Quality Education competence.

Quality and teacher education is a specialized body of knowledge and practice aimed at fostering this competence which is increasingly important in our interconnected world. This seminar aims at providing a platform to address the multifaceted quality challenges, practices and opportunities for social sustainability. The purpose of teacher education is to engender the qualification judged to be necessary for doing the work, the teacher is called upon to undertake. The central phase of the teacher's work is instruction (i.e) guiding the learning of pupils and an understanding of the contemporary teaching – learning theory is an essential pre-requisite for teachers.

## Objectives of the Conference

- to enrich the research knowledge of the delegates at the global level
- to integrate relevant skills with higher education system
- to evolve innovative and best practice to harness education technology
- to analyze the status of teacher education in India
- to suggest measures to solve the various problems related to teacher education

## Sub Themes
